ON THE COVER

**Sherlock Holmes made his author,
Arthur Conan Doyle, rich and famous.
But the writer came to hate his fictional
character. In this series, historian and
lifelong Sherlock Holmes fan, Lucy Worsley
investigates this curious relationship
between Holmes and Doyle; detective
and author.**

Throughout the series, Worsley explores the parallel lives of Doyle and Holmes in the historical context of their times. From the dying years of Victorian England, through the imperial crisis of the Boer war, the optimism of the early Edwardian years, to the trauma of the First World War, Arthur and Sherlock lived through them all.

Sundays at 7 p.m. starting Dec. 8 and
Fridays at 9 p.m. starting Dec. 13 on KMOS 6.1.

This dramatized version is a heartwarming version of this true encounter. Stars Dawn French as Beatrix Potter.
