ON THE COVER

A new season of *Miss Scarlet*, the first-ever female detective in Victorian London is here.

Miss Eliza Scarlet is doing her best to have it all. Her business is thriving, but her personal life enters new territory as she attempts to follow her heart and develop a relationship with Inspector Alexander Blake. Eliza may be an expert solving crimes, but she's very much a novice when it comes to love. Can Eliza juggle the twin demands of her personal and professional life?

Watch *Miss Scarlet* on *Masterpiece* Sundays at 7 and 11 p.m. or Thursdays at 3 and 8 p.m. on KMOS channel 6.1.

Contact is published monthly for KMOS PBS members and viewers. We work to ensure accuracy at press time, but last minute changes are sometimes unavoidable. We welcome your comments, questions and suggestions.

As one year closes and another begins, many of us pause to take stock of our lives, reflecting on what we've accomplished and what we still hope to achieve. The start of a new year offers a clean slate, a chance to set new goals and create a roadmap for positive change. But goal setting isn't just about writing a list of resolutions; it's about identifying what matters most and taking steady, thoughtful steps toward it.

Whether it's improving your health, exploring a new hobby, or making a greater impact in your community, setting realistic goals helps transform aspirations into lasting habits. The key is consistency: making small, meaningful choices each day that align with your larger purpose.

At KMOS PBS, goal setting drives everything we do. Each year, we strive to expand access to trusted PBS news, create more opportunities for local storytelling, and enhance our educational programming that supports children and families across Mid-Missouri. These goals aren't just organizational; they reflect our shared belief in the power of public media to inform, inspire, and connect people.

As you map out your own goals for the year ahead, consider renewing your commitment to support KMOS PBS. Your membership fuels our mission, ensuring that everyone in our region can continue to learn, grow, and dream through the programs you love, programs that educate, entertain, and foster understanding.

As a member of KMOS PBS, you help us achieve our goals while setting one of your own: making a meaningful difference in your community. Together, we can make 2026 a year defined by curiosity, compassion, and shared purpose.

Emergence 6.3

Grantchester *Saturdays at 7 p.m.*

There's no shortage of murder and mayhem in the seemingly quiet 1950s Cambridgeshire village of Grantchester, where a vicar turned amateur sleuth helps the local Detective Inspector.

Good Karma Hospital

Saturdays at 8 p.m.

Junior doctor, Ruby Walker, arrives in India looking for a job and a distraction from her heartbreak. She anticipates the sunshine, the palm trees and picture-perfect beaches. What she doesn't expect are the realities of work, life and even love at an under-resourced and over-worked cottage hospital.

This powerful documentary from the Missouri Humanities Council highlights the evolution of Missouri's highest court through the voices of its female judges—from the appointment of the first woman, the Honorable Ann Covington in 1989, to the historic female majority serving today. The film showcases not only the Court's vital role in civic education and youth engagement, but also the personal stories of the groundbreaking women behind the bench.

Not In Our Wildest Dreams explores the role of the Missouri Supreme Court in the state's past, present, and future. The film highlights the court's teamwork in promoting civic education and empowering youth engagement, as well as the journeys of the trailblazers behind the black robes.

Missouri became the 14th state with a female majority Supreme Court in 2023. This film features the stories and contributions of Judges Mary Rhodes Russell, Robin Ransom, Ginger Gooch, Kelly Broniec, Patricia Breckenridge, Laura Stith, and Ann Covington.

Don't miss a part of Missouri's history as you enjoy *Not In Our Wildest Dreams* Monday, January 12, at 7 p.m. on KMOS 6.1.

All Creatures Great and Small

Season 6 Saturdays at 8 p.m.

We return to Darrowby in May 1945 to find Skeldale House at sixes and sevens. James juggles vet work with a busy family life and an exceptionally challenging Siegfried. Helen is enjoying time with young Jimmy and Rosie but has big changes afoot at Heston Grange to contend with. Tristan returns from several years at war and will have to re-adjust to life back home in Darrowby. Meanwhile, Mrs. Hall works hard to bring everybody back together and restore harmony at the surgery! Watch as our favorite characters reconnect with each other and find their renewed purpose, as the world around them looks to a brighter future.

KMOS Membership Update 2026

KMOS is updating its current membership levels from \$5 per month to \$8 per month. This will ensure that KMOS is able to bring you all the member benefits you currently receive including our program guide "Contact" and KMOS Passport, an online library of thousands of hours of PBS programming right at your fingertips. There is nothing you need to do on your part. When your annual membership renews, we will make the change automatically, thus guaranteeing that your membership continues uninterrupted. If you currently give more than \$8 per month or \$96 per year, you will see no change in your membership level. If you have any questions, please email us at membership@kmos.org or call us at 1-800-753-3436. Thank you for your continued support of KMOS PBS.
