Contact is published monthly for KMOS PBS members and viewers. We work to ensure accuracy at press time, but last minute changes are sometimes unavoidable. We welcome your comments, questions and suggestions.

This month, KMOS PBS invites you to take part in one of the most important moments of our year: our March Pledge Drive. These on-air drives are vital to the future of KMOS and the services we provide to central Missouri. Simply put, pledge drives enable us to remain strong, independent, and responsive to the community we serve.

Public media is built on partnership. While federal and state support has historically played a role in sustaining PBS stations, the Rescissions Act of 2025 significantly reduced that funding, leaving stations like KMOS to absorb major losses. In the face of those cuts, support from viewers has never been more essential. Your generosity helps bridge the gap and ensures that trusted programming, educational resources, and local storytelling remain available to everyone, free of charge.

During the March Pledge Drive, we celebrate that partnership by offering thank-you gifts, popularly known as premiums, as a small token of our appreciation. From quality merchandise to exclusive program-related items, these premiums are our way of saying thank you for standing with KMOS and making public media possible.

Most importantly, this drive is about you. KMOS exists because of viewers who believe in lifelong learning, reliable information, and a sense of shared community. Whether you watch daily or tune in occasionally, your support means a great deal to us.

And even if your membership isn't currently up for renewal, you can still make an additional contribution during the drive. Every gift, no matter the size, strengthens KMOS PBS and helps protect the future of public media in central Missouri.

This March, we hope you'll join us. KMOS PBS is here for you, because of you.
