Jump to question: 1.2

Of the full-time employees reported in Question 1.1, how many, including the station general manager, have responsibility for making major programming decisions?

Female Major Programming Decision Makers							0
Male Major Programming Decision Makers						2	2

Enter the total number of full-time and part-time openings that occurred during the fiscal year. Include both vacancies in previously filled positions and newly created positions. Do not include as job openings any positions created through the promotion of an employee who stays in essentially the same job but has a different title (i.e. where there was no vacancy or newly created position to be filled). If no full-time or part-time job openings occurred, please enter zero.
